Dear partners,

Warm greetings from National Cheng Kung University in Tainan, Taiwan!

We would gladly invite your students to join our **2018 NCKU International Summer School** scheduled from **August 2nd to August 17th**. This year, our program features ***i Circular Economy (iCE, where i means intelligent, international, industrial, integrated and interactive)*** as the theme and offers innovative and inspiring core courses to both undergraduate and postgraduate.

As ***iCE*** is the revolutionary courses and education programs in the leading-edge knowledge of Circular Economy at NCKU, we would like to offer **program fee waiver to your students without quota limits** to promote the program. All students need to pay is the mandatory application fee (including administration and insurance) for USD 210.

The Chinese language and cultural classes, which have always been of great interest to students worldwide, are also available at an affordable price. The school will hold an abundance of extra-curricular activities to bring international and local students together to foster cross-cultural and lifelong friendship during the program.

Please kindly assist in distributing the program information to your students. We cordially welcome your students to NCKU to learn more about the educational environment, people, and culture around Taiwan!

Program Details

A. Circular Economy Class (2 Credits, taught in English)

CE class includes wide-ranging topics of lectures such as energy, water and biomaterial. It will be taught by top professors and experts. Aiming at giving

students basic concepts of sustainable thinking from interdisciplinary lectures, CE class demonstrates a clever and systematic use of technology on business and daily life, which can actually benefit the people and the environment at the same time. In addition to teaching theory in class, we provide company visits and hands-on activities for students to work in practice.

B. Chinese and Cultural Class (1 Credit)(Optional)

To immerse students in a unique cultural atmosphere, we arrange the Chinese language classes from beginning to intermediate levels and the cultural classes, including Chinese Opera class and Zhuanke (seal carving) class. Students will enjoy learning to read and speak Chinese, and even wearing the Chinese Opera's costumes and make-up for a real cultural touch!

C. City Tours (Optional)

On weekends, city tours will be arranged for students who want to opt for an unforgettable travel experience around the areas in southern Taiwan. Tour schedules will be announced on the website.

Nomination Period (for universities): Please return your nomination sheet (attached) to us by **May31**. We will then process your students' applications accordingly.

Application Period (for students): [Online application](#) starts from now to **June 15**.
